“ *My sympathy to Larrys' family. Larry was a good long time friend . He was a great guy with a great love for God and a desire to have a close relationship with God. I remember when he started attending Maple Grove Bible church back around 1980. He accepted Jesus Christ as his savior at that time, and knew then that he had a spot reserved in Heaven. Now his suffering is over and I know he is with God and his loved ones in Heaven. He can visit with my brother Dale, who also was a good friend of his. One day all of us who have accepted Jesus as our Savior will be able to visit for all eternity in that wonderful beautiful place called Heaven.*
