“ I'm Free

*Don't grieve for me, for now I'm free
I'm following the path that God laid for me.*

*I took his hand, when I heard him call
I turned my back, and left it all.*

*I could not stay another day
To laugh, to love, to work or play.*

*Tests left undone, they stay that way
I found that place at the close of day.*

*If parting has left a void,
then fill it all with remembered joy.*

*A friendship shared, a laugh, a kiss,
Ah yes, these things I too shall miss.*

*Be not burdened now with times of sorrow,
I wish you the sunshine of tomorrow.*

*My life's been full, I've savored much,
Good friends, good times, a loved one's touch.*

*Perhaps my time seems all too brief,
Don't lengthen it now with undue grief.*

*Lift up your heart and share with me,
God wanted me now,*

He set me free.

*My sincere condolences to you, your family and friends Deb
