“ *Larry is the first person to ever hire me for a job. It was at Village Market in Allegan. He was a good man. And a very hard worker. I had a lot of respect for him. I stopped in and said hello to him a couple of years ago. So sad to hear of his passing, 69 is far too young. My condolences to his family and friends.*

“ *I had the privilege of working with Larry on and off over the last 5 years at Village Xpress. He was an amazing man with extensive knowledge and a ton of stories that he always shared over those years. He was my mentor, boss, father figure, and a great friend! I will miss him dearly! RIP Larry, you've left a huge print on my heart and my life!*

“*Larry was one of my first managers 25 years ago. One of the most dedicated and hardest working person I've ever had the privilege of working around. I'd like to think some of my work ethic came from the example he set for me. My favorite thing about him was his quirky sense of humor, and how he used to move around so quickly around the store! Rest easy Larry. Thoughts and prayers to your family my friend.*

“ I worked with Larry at Village Xpress. In fact the July 4th Larry came in after my shift to work. I usually run on out of work as fast as my feet could take me, but for some reason I felt the need to stay a little longer and chat with him. After asking how he was doing I asked him about going to any toy conventions recently. Man he lit up talking about his finds and his hot wheels, and for a moment he was like a kid talking about his toys. I am grateful for that now. He was one of the hardest most dedicated coworkers I've ever had the pleasure of working with! My heart is broken. He was a great guy! He will truly be missed!!
