“ Miss you my friend..and brother! I could fill this page with the things we done together!
I've helped people,but not on a scale compared to you!
Not you"will"be missed...you "ARE" missed!

Larry certainly was good at fixing cars and he had a laugh that went deep. After our high school years I didn't see him often, but my memory of him is under the hood of a car. He touched many lives; may he rest in peace.
