“ *There are no words to express what a wonderful lady Mrs. Miller was. We had many a business dealings with her and Mr. Miller and they were not only a wonderful couple but they were also beautiful people. We will be thinking of all the family and you were truly lucky to have them as your parents, grandparents and loved ones. They will always have a special place in our hearts.*

“ I didn't know Mrs. Miller personally, but I feel as if I did because of Julie Ramsey, who loved her so much. Spending time with Mrs. Miller was much more than a job for Julie, and I know she will miss her time with her very much. She cared so much for her well-being, her needs and, yes, even her cat. I will miss hearing Julie talk about Mrs. Miller.
