“ Love you always. Running along picking up us strays is what you did best, spreading love and healing along the way. You helped heal a significant gap in my heart. ❤️ The jokes were always funny!

“ Leonard was an old friend from our Wood School days. My deepest condolences to the family.

*May the road rise up to meet you.
May the wind always be at your back.
May the sun shine warm upon your face,
and rains fall soft upon your fields.
And until we meet again,
May God hold you in the hollow of His hand.*
