“ I’m so very sorry for all of you Childrens loss. I’ve been away from Bangor for years and today going on a year later I just found out of the great loss of a very wonderful, Mother, grandmother, Aunt, and dear sweet friend. I have so many memories of Lila I cannot share them all, but she use to hang out at our home with my mother and put us kids in place, and I’m almost 55 years old now. That was when I was 11 -13 years old. I always had great respect for you Lila, especially as a Mother. May you be watching over your family and friends. God speed and I know your rocking it in heaven, with that beautiful personality. I pray you are watching over all of us ,because you are one woman I’d be grateful to have watching over me. God bless all the Crandall family. Lisa Little

“ I was just told about my dear friend. Lila and her entire family was basically my whole world when I was a teenager! I've tried to always keep her in my thoughts through the years. 've kept so many wonderful memories of her and how much I loved her! I've lived away now for so many years and lost a lot of times with her, but I do hope she knew how much I really loved her and all that she meant to me during a time in my youth and al l my crazy times! You will be sooooooooo missed my friend!!!! Jeana (Fisher) Hinz

“ Lila was very special! I have fond memories of spending time with her and my mom, Jackie Thompson, at Granny's Pantry. Lila and Jackie became very good friends and Lila often checked up on my mom for me. After my mom passed away in 1999, Lila continued to send me Christmas cards and mention a tidbit or two that the two of them shared. She was a hard worker, made the most of what she had and was always beautiful inside and out. I so remember her fondness for cats and she had some great stories about them. She will live on in the hearts of many. My sincere sympathy to the family at their loss. Cherish and share her memories amongst yourselves during this difficult time.
