“ *Linda was my first friend and in my heart always will be. And yes she did tell it like it was, whether you liked it or not! She was full of the devil and always ready for letting that devil loose. Rest in peace my dear friend and don't let them push you around up there. Save a table for the rest of us.* ”

“ *I knew her as Granny. She was always there with a story to share, or an ear to listen. She helped me in so many ways. Such a silly, crazy, lively woman. I was ever so fortunate to have had her in my life.* ”

“ Linda and I were in the Gobles class of 1964, and I remember her joking in the classes we shared. I enjoyed seeing her at the class reunion last year. Linda saw the world through a different lens--I'll miss knowing she's keeping Gobles and her children on their toes. Her many grandchildren and great grandchildren will have good memories of her humor and realistic views. So long, dear friend.

“ I graduated with Linda from GHS 1964 and was glad I got to see her at our 50th class reunion last year. She was enjoyable, always had a laugh and a story to tell. Was glad to see in the obituary that she had a large family with lots of grandkids. Linda was always a "kid at heart" so I'm sure the grandkids, nieces and nephews loved her dearly. I know you'll have a ton of great memories to treasure her spirit. Mary (DeGeus) Detmar, Garden Valley, Idaho.
