“ *I had the pleasure of really getting to know Lisa really well the last 2+years while helping take care of her. She loved Benny ,her children and grandchildren more then they will ever know. Her mother was her world and she loved everything they did until she just couldn't do it anymore. I'm grateful to call her my friend. REST IN PEACE LISA*

“ I have sooo many memories, I would be here for a while, but I will say it didn't matter how long between time that we spoke or seen each other. It was always as if we never missed a beat. You were a rare gem to many people. Our talks at times were long once upon a time. My boys knew you as nothing else but family. You always treated me like family and for that I will forever be grateful. Benny and girls please take time for yourselves to grieve and talk about Lisa and celebrate her always. Love Punk

I can remember Lisa coming home from Belgium as an Army wife and pregnant with her oldest daughter and so proud. Of course there were problems at first between us she always knew we were friends. I can remember when her and Benny got married she asked Bruce to walk her down the aisle, that made him proud. She was very close to Manda for along time. No matter how far they were away they talked. To Julie and Kimmie know Uncle Bruce and I love you and will keep you in our prayers that God will hold you and your families tight. So sorry Bennie we won't be there for the services. Love Bruce and Kenny Knuth
