“ What a blessing to have known Lois and her quiet and wise words and ways! We are sorry for your loss, but we know that it is heaven's gain! I can envision her there now, smiling and happy at the feet of Jesus, her Savior, and fellowshiping with Mom and Dad, and a host of others who have gone on before us!

I have many special memories, but two stick out: I was quite small, but remember being intrigued that your parents had 4 daughters - all whose names started with "R" - Rosalie, Rachel, Ruth, and Rita!

The second is when I asked her to do my wedding cake - with a recipe she had never used (poppyseed cake) - which is still our favorite! She calmly told me she would try. It turned out beautiful! We couldn't have asked for more - and then she gave the cake to us as a wedding present!

Praying for much peace and comfort in the coming days.

Thank you for sharing your memories, Rachel. The DeLine family has always been a special part of our family. I took the cake decorating class with Mom as she wanted to learn but didn't want to go alone to all of the classes. She went on to make many cakes for years. I had forgotten she'd made yours until you mentioned it. 😊 Her last wedding cake was for our daughter, Andrea and Josh, almost 7 years ago at 84 years old!

Love from one of the "R's", Ruth

“ Oh the memories that are flooding my mind right now as I grieve with others the loss of my friend Lois. What a wise, kind blessing she was to the Clayton Bible Church family. Not only did she faithfully and effectively teach the word of God to a myriad of children but many women sat under her tutelage without her ever recognizing her influence. I am one of those. She was a gracious hostess to small and large groups of people, seeming to never be in a rush or fluster. Lois was an accomplished encourager, attentive listener, active and intentional in her prayer life. She would be embarrassed and humbled by these words but she stands right now before her Savior who has welcomed her with these words, "Well done, good and faithful servant."

Much love and prayer for comfort to Les and all the Moore family

Thank you for sharing your memories. Even in her last days, Mom's concerns were not for herself but for everyone who came to see her. "Be careful," when they said goodbye. "Stay faithful. Stay true to the Lord."
You were very special to her, Pam. (Ruth)
