“ I am sister to Amy and i did not get a chance to know Loraine as an aunt i knew her as someone that my sister loved and and enjoyed being around. I would see her talk about her and she always had this beaming smile and her eyes were always so happy. You could see that Amy really loved and cherished her Aunt Loraine. Amy had made reference to Aunt Loraine's smile and I once heard that "Smiles are the next best thing to halos" so with that she was always an angel in disguise.. Our thoughts and prayers are with you in this time of grief. With love the Blake family###imported-begin##sarah blake###imported-end##

“ I have many memories of Aunt Lorraine I will always cherish. I remember getting snowed in at Aunt Lorraine and Uncle Bobby's house. (more than once) It was my favorite place to get snowed in. She would always make a big breakfast and we always had a great time.
We will miss her.

“ Aunt Loraine always had an amazing smile. Every time I think of her I see that smile. I always wanted to go to uncle Bob and aunt Loraine's house when I was little. I remember going to the house on 687 and playing in the cornfield, sneaking out to the swamps behind the house and seeing a snake with Peggy and LeAnn, listening to LeAnn's chipmunks records, and hitting my head on the curved ceiling upstairs. I love those memories and I will keep them with me just like her special smile. I love you Aunt Loraine and I know you are smiling down on all of us. We will always miss you.##imported-begin##Jeremy & Amy Kelemen##imported-end##
