“ We go way back! Fred was like a "little" brother to Loretta; having spent many hours at the Rhineharts with his buddy, Richie. In later years, my daughter, Laury, & I had lots of fun with Loretta at the HHS W. Coast reunions. I have a picture of Laury & Loretta riding a merry-go-round in one of the big shopping centers. She loaned us her Buick at the last reunion. Typical of her: "We have three vehicles, and only two of us to drive them; you might as well use it!" They delivered it to us in Sun City, and when we dropped it off at their home on our way to the airport, her husband treated us to coffee and donuts. Loretta, at 80 years young, was still working at her responsible job in the city. Quite a lady...she will be missed. Thoughts & prayers to you loved ones, Arlene
