“ *Deb and Diane, I wanted to let you know I am so sorry I am unable to attend today's service. Please know that I am thinking of you and your family, during your loss. Your mom's a special "lady" and I know her suffering has ended and she is with God in heaven. My thoughts and prayers are with you. Kathy###imported-begin###Kathy Thibeault###imported-end##*

“ *To the family of Lorraine Serdel,
My deepest sympathies are with you at this time of loss.
I enjoyed getting to know and talk to your mother at Jordan's Nursing Home, I learned many things about her and the love that she had for her family. A very soft spoken lady with many stories to tell me, we would sit and laugh at the things that she told me. I had the honor of getting to know her daughters and talking with them. You were the apple of your mother's eye's.
My prayers and thoughts are with all of you at this time.
