“ *I am saddened to see that Mr. Piet has passed on from this world, but delighted to know that he is onto better things. I work at South Haven Health System and thought he was always such a pleasure to see. Always kind, always smiling, always a character! He will be missed by those who barely knew him. I cant imagine the hurt for those who were close. Prayers are with you and your families.*

“ Please accept my sympathy for your lost. Louie was an awesome person. I had the privilege of working with Louie at GTE's warehouse in South Haven. He would bring in Dorothy's wonderful Chocolate Chip Cookies to share with all of us. He would tease me but I always knew as he couldn't keep that smile from forming! He was very proud of his family and how you could see how much he loved Dorothy. My prayers are with all of you.
