“ *To her loving family members - Everyone at the dialysis unit would like to send our sympathy and prayers to lift you at this sad time. Personally, I will miss her dearly because she was the lobby "Hall Monitor" and kept me on my toes - watering those plants and changing the decorations from season to season! Louise was always the first to notice and never failed to say "Thanks Dee Dee, it looks nice in here - you did a good job!" I hope she knew....I did it for her!
God bless all of you! Dee Dee Yunke @ FMC South Haven Dialysis*

“ *RIP, my dear friend. Though we only met 7 years ago, I feel as though it was much longer. You were always so strong and cheerful, even when you didn't feel up to it. May everyone look to you as an example, and may God's peace surround all who you leave behind.*
