“ I knew Lynette for a short period of time compared to those who have posted tributes. Yet she made feel right at home on our first meeting and we grew closer as time passed. Though I'm not a true relative, she and Makayla called me Aunt Becky. That is part of her charm, of making you feel welcome. She was determined to make the coolest birthday cake her dad ever had and she succeeded at his 75 birthday party! She overcame many obstacles- taught us all a lesson or two. Your Angel will be with your loved ones as the days move on. Peace be with you and know love never ends. Aunt Becky.

“ I had the pleasure of being Lynette's aunt for many years and share so many great memories with this special lady that will be in my heart forever. After moving away from Michigan she always stayed in touch and we would catch up on life. I know your pain is now gone and you are in God's hands, but just know Baby Pike and I will miss you. Love, Aunt Lori

“ I am so sorry to hear is Lynette’s passing. Lynette went to school with my daughter and I hadn’t seen here in many years. Then I change jobs at Parchment Schools and became the secretary at Northwood Elementary, her daughter Makayla was a student there. Lynette walked in I immediately knew who she was and she remembered me. We struck up a renewed friendship from years ago. She loved Makayla with her whole being. She was very artistic and made beautiful cakes. I will remember her fondly and will keep Makayla in my thoughts and prayers. Love always , Mrs. Terry..

“ Lynette you will be missed. I have lots of memories some very good and some not so good. But, you knew I would always be there for you and Makayla, you just had to call. Many times in the fall we would trade pie crust for apples. I will miss that this fall. Lynette and Makayla were so good and enjoyed singing, especially karaoke. All the laughter and smiles that went along with your having fun together.  
I know your out of pain and can walk again. Time goes by so fast and life change in Gods timing. My prayer is that your family will finds peace knowing your ok and you will be together again.

“ I have lived in Ohio for many years so as an uncle, I missed a lot of her growing up. In her adult years we visited, as I made more trips to Michigan. She was a witty gal who could debate with the best of them. She liked to bake, and made one mean pecan pie !! She will be dearly missed. We love you Lynette. Uncle Dave

Lynette is my first niece and the first born girl in our family. She was a lot of fun and over the years we had lots of crazy hilarious times we laughed at together. I loved her dearly and will miss her beyond words. Her beautiful voice will live on.  
Her ability to overcome life's obstacles will be a positive examples of the strength my niece had .  
The love she has for her daughter was completely eternal and she loved being a mom.  
We love you Lynette Alana.  
We already miss you terribly. Love you always Aunt Gaelen
