“ Thinking of the Shaw family at the difficult time. Maranda was a joyful light at the Learning Center and her spirit will be greatly missed.

“ I had the pleasure of being one of Maranda's home health nurses a few years back and it was such a joy to spend the days with her. During her down time through the day, we spent time doing art projects, drawing/coloring, baking cookies, or watching her favorite guy in the world act in the Harry Potter movies. Even after I was no longer her nurse, she remained someone I could call a friend. She will be very much missed. My thoughts and prayers are with the entire Shaw family. You all were so amazing with her and just a great family in general. Love and Hugs to you all.

“ "How is Sophie" was always one of the first things Miranda would ask me.
I will always remember the many situations Miranda overcame she definitely had a strength that most of us don't possess!
When she would get dressed up she was a beautiful princess 😊
Miranda touched my life and the lives of many others for sure. It was a privilege to have known her and I will see her again!
To all of the Shaw family my prayers are with you. Thank you for showing Miranda what love really looks like.
