“ *Dear Carrie, Rita and Little Richie,*

I am so sorry to hear about your Mother. She and her husband, my cousin Richie were the best parents to all of you. They were a very loving and tight couple. Jeanie would stay up every night waiting for him to get home as he worked the second shift. They loved their grandchildren just as much as you three and did everything they could to be supportive to all of you or actually any of us. Richie and Jeanie were very kind to my Mother in her last years too.

I have many memories of taking my Mother, Aunt Ruth to see them and Aunt Irene who lived next door. They were all so much fun too.

Your faith will help you get through this and then your memories will keep you all very happy.

“ Margie was a Class of '68 favorite and always had something to say, straight out, whether she agreed with you or not. Whenever I visited “home” I always treasured the short time we spent at our class reunions. Occasional phone calls helped to fill in the gap during the year, but they didn't hold a torch to sitting down with her face to face. I always called her on her October 26th birthday because that was the only day we shared the same age as I jumped ahead a year the very next day. Margie will truly be missed by us all.
