“ Rip Maria. Gone but never forgotten. You fed me my very 1st fast food, (Burger King) when i was 1 yr old. Probably why ill always love bk. You used to babysit me all the time. I, too, loved getting to eat your tamales. Maria, you were a great woman who touched the lives of so so many. May you rest in peace.

Ill be keeping your whole family in my thoughts and prayers.

“ I was pregnant with my daughter and staying with her and Jorge and she spoiled me she had Jorge to go get me ice cream in the wee hours and she cooked tamales for me because they were my favorite. She was one of the most loving persons I've ever known my Aunt Maria was the greatest and I will miss her more than any words I could ever be able to express. She came to Tennessee to visit once and she thought the tobacco field across the road from my house was a field of Palm trees it was so funny and when she found out what it was she laughed at her mistake and wanted to take one home with her.

“ A few days before her passing, Maria told me that her "circle was complete". I told her it was too soon, but she looked at me with a calm assurance and said she needed to find her Madrina and her Papi. Then she said her grandbaby needed for her to take care of him. Maria was ready and as always, eager to begin her next mission. I miss her, but we will see each other again. ❤️
