“ *The years pass so quickly, but I remember alot of good times spent in your mom and dad's home. I remember the time we made homemade ravioli, picking up nuts from the neighborhood...the ones under the trees..lol, and the welcome that was always then when I came over...I thought you kids were soooo lucky to have such a wonderful and fun family.*

You're a worthless, uneducated, crack whore just like your mother. Fuck you people and the shabby, pitiful existence that none of you deserve.

“ Hugs and prayers, so sorry to hear of Marilyn passing. I spent many summers at the Keene house when I was a young girl. So the Keene family was a very important part of my life. I was especially close to Joyce, but the rest of the family were wonderful, too.

Cherish her memories, but she's now with your dad and grandpa.

Love,
