“ Grandma Marilyn had a strong and loving heart. The moment I heard she was gone I was crying soo hard. I could not take my mind off her.I could not listen so hard to my teachers.But I had to hold my tears in and cry inside.Well I understand everyone comes and goes and God had chosen her to go now. Let Marilyn rest in peace. I will always have a special place in my heart for her. I will miss my grandma always but I know God will take care of her.
I love you Grandma, Rachel##imported-begin##Rachel##imported-end##

“ With heavy hearts we say goodbye, to our mother, who has left us behind. She went ahead to add another link to the family circle way up high.
For those of us still on earth, we will hug and we will cry, but in the end we will smile. For she has left us with many memories of happy family moments to cherish. As we gather with family and friends to say goodbye, I will look to the heavens and smile, because I know that I will see you, dad, and Mike looking down on us whispering that we will all be together in awhile.
Love you mom.##imported-begin##Beth##imported-end##
