“ So sorry to hear of Marks passing.
We grew up together in Comstock, graduated together and hung out for a summer in elementary.
I remember swimming at his mom and dads, riding bikes and having a crush on Brent in 5th grade.
Fond memories!
RIP Mark!###imported-begin##Janie (sherwood)

“ Dear Julie and Family,
I haven't seen you, Mark, or Andrew since you lived down the street from Matt and me on Madison many years ago, but I remember you and Mark fondly. Now I see that you had two more children and enjoyed a good life together in Gobles where you moved.

I am so sorry about Mark. He had a wonderful sense of humor and helped everyone in the neighborhood. My thoughts and prayers are with you: I hope you will find comfort in the memories you share.

A friend from long ago,
