“ Dear Dad

*I wanna tell you how much you mean to me. You may not have been there much but it's only made me stronger. I wish i could have spent 5 mins with you saying some stuff I need to say but I didn't and that just life. We are all dealt a hand in life but only you can play the right cards. You.... had a darn good poker face but you laid down a few good cards. I'm glad your at peace now. No more hospitals no more pain nor suffering. Oh and member that watch you said I couldn't have yea well ummm thanks ;). I know your looking down on me. You better keep watching because one day im going to be someone. The someone that everyone wants to be but 10 times better. I will take care of mom and Luke and the rest of the family the best I can. I almost had mom into marrying you again but you left to fast lol . You were taken from us to soon. When I get older dad I will be like you maybe not you on the outside but the person on the inside. The strong and truly loving person you are. I love you Dad. Tell grandma and grandpa I said hi. So what's God like anyways. I know you were not scared to meet him at all. They say a cat has nine life's right? Well I say you have about 40 lol. Anyways I will finish this up because I know you have to get back to fishing :) and drinking Pepsi eating pretzels and listening to some Rod Stewart. In your honor Dad on the day of your funeral I'm riding solo. Skating from the house to see you. Love you Dad may you rest in peace 9-9-09*

Your son
