“ My name is Peter Williams Owen. I am the son in law, married to Mr.McCrory's oldest daughter, Erin. Thank you to all of his family and friends that provided assistance, made arrangements , and gave support to his daughters Erin and Mary. Thank you Sandy. Thank you to Carol's family for your help during difficult times. Thank you.

I always felt that Marvin was always accepting of me from the day i met him over 20 years ago. He treated me with respect and I felt he was supportive of the relationship with his daughter. He gave me his blessing when i asked him about marrying Erin. Over the years, he has been a solid fixture, in my mind, of what it means to overcome obstacles and achieve during and regardless of the circumstances that life presents to us. His service to our country, to his community as an builder of roads and infrastructure etc. and his role in the fire department are all inspirational to me. He was always thoughtful and soft spoken with me. His love of fishing was passed down to his Grandsons Tyler and Devin. They and I will be sure to cast lines in his honor and think about him as we enjoy nature near or on the water. Thank you for being a positive presence in our lives albeit mostly long distance, but a presence nonetheless, that can be an example for his Grandsons to look up to. Thank you for the opportunity to express my feelings about Mr.Marvin McCrory. I will miss his presence.

“ I just can't imagine life without you. It was so sudden, no time to say goodbye. You are and will always be missed. We've been through a lot in the past 18 months, and you picked up the pieces and moved forward. I am so proud of how you figured it all out. As usual, I think of you often. Love you and miss you every day.
