“ *Mary Lou was the sweetest lady I have ever met! She always had a smile on her face and cared with all of her heart! I am very grateful to have been able to be a part of her family and cherish some memories with her! It was a blessing in itself to be in her presence and watch her care for my boys. She was a wonderful mother, grandmother, and great-grandmother! Oakley and Beckham were blessed with such a wonderful great grandmother and I couldn't imagine it any other way! I will always remember her glowing smile and wonderful caring heart! We love you grandma Mary and we are so blessed to have been able to have you in our lives as long as we did and I will forever cherish that and all the memories that we shared.*
