“ *Mom loved others deeply and so many people loved her! She was such a warrior and a strong woman all her life. She survived through many trials and rough times, but always kept her trust and faith in the Lord! Her and Dad gave me a firm foundation in faith and taught me so much about God and His love for us. For that, I'm eternally grateful.*

I miss her already, but I know she's with Dad, and her Mom and Dad, and many other family members. I'm so happy for her that she is enjoying perfect health and unspeakable joy in the arms of Jesus!

I'm so excited to see you someday soon, Mom and Dad! Love you with all my heart, forever and ever!

“ Mom was full of spunk in her 4 foot 11 inch frame. We miss her so much! One of the things written about Mary in her obituary was that she was a devoted mom. She was that in many ways. The way that her son David will remember forever is with what she said when we were leaving after visiting recently.

Mom called him back and told him she was ready to go home and be with her husband. She said she had a good life with her family and don't cry for her when she's gone.

She was being that devoted mom...preparing us for the day she would join Dad. We love you Mom!
