“ *Scott, Sue, Steve and all: I am sorry to hear about your Mom. I have so many fun memories of her and Jack. You learn and share a lot with the people that live right across the road....especially in Kendall. My mom, Wilma, Alice Jean and Mary could sit and talk at the kitchen table for hours. I'll never forget the huge snow storm that covered your back door so high that your dad had to dig a big tunnel to get into the house. And PARTIES ... boy did the Kendall couples love their get togethers. Wonderful Memories fill my heart today.*
