“ Dear Ruth,

Words can not express my feelings at this time. I just stopped and thought of her on Saturday, with fond memories, as I always have after all these years on her birthday. I don't know why her birthday stood out in my mind, but she was a 2nd Mom to me for quite awhile. The saying she told me one time, that will stay with me through out my life is "Only a pig would sleep in an unmade bed", to this day, if I get up in a hurry, and don't make it, I will not get into bed until I make it first. She left a lasting impression in my life, and I will always remember her.

How are you my friend, even though we have not really kept close contact over the years, you have never wandered far from my mind. Please feel free to contact me if you ever need to talk or just somebody to vent on. You have been through so much this past few months, and I want you to know I am here for you if you need me. My email is Kims715@aol.com, and phone is 920-452-9727. I have unlimited long distance and can call you right back.

Again, Ruth, and your family have my deepest condolences, and I would like to talk to you again, I lost my mom in 200, so I know how you are feeling this time, but to loose your mom & Robin in such a short amount of time, I can't even begin to imagine your greif. I'm here my friend, just a phone call and an dmail away..

“ Dear Ruth: It was very nice to meet you on Friday evening when I delivered a prescription for your mom and also cookies for the staff from Wings of Hope Hospice. I was your mom's volunteer and had visited her several times there at the nursing home. She was a very nice lady and I enjoyed talking with her. You have my deepest sympathy and you are in my thoughts and prayers during this difficult time. Take care of yourself too.
