“ Denise;
I am so sorry to hear about the loss of your mom. She was a very sweet lady and the world will be a little less brighter without her. I wish there was something i could say or do to help ease the pain of your loss, but, the only thing i can say is that one day you will be with her again. My thoughts and prayers are with you and your family during this very difficult time. Love you sweetie.##imported-begin##Tina Maxwell-Ford##imported-end##

“ Rufus, Denise and Rufus Jr,

Such sad news. The world is a darker place without that 'big sunshiny smile'. And those big strong hugs too. They were big reasons to come home for a visit.

We have lost several friends in the last couple years. Now there is one more reason to do our best to remain faithful so that we can all be together with Jesus in Heaven when HE comes to take us home.

Praying for strength and comfort for you and the church family.

Love and Prayers for you. Jean Kenyon - N Carolina###imported-begin##Jean Conner Kenyon###imported-end##
