To all the memories we shared in our 14-15 years we had together. And raised two beautiful and wonder kids together Brooke & Dylan. Ride That Heavenly Highway and until we all meet again. And you are watching over all of us and our granddaughter Aurora that we all share and love. 🙏💙 And Jean we are here for you and the rest of kids as well. We are a blended family and here to help each other out.

“ Matt was one of a kind. He was my uncle, treated me like he was my big brother but mostly also was my biggest protector. That’s what I’ll remember you as. Anytime I needed you, you were there, no questions asked. That’s what I’ll miss the most, you always had me, no matter what.

“ Matt was not only Nathan’s co-worker at BASF, but such a good friend. He and I would banter when we seen each other, I’d send in extra leftovers for Nate and Matt to share at their lunch breaks. Never had a complaint. We visited the Perry’s for BBQs in the summer time, they came to our son’s first Birthday. Matt stood in our wedding. He definitely was a groomsman who knew how to have a good time. Matt had such a good heart, beautiful family, great sense of humor and was such a kind person.

We are honored and blessed to have known Matt.
