“ *Charlene, children, and Dionne family: Although I have never met you Charlene, you got a great guy and hope you had marvelous years with my old friend. We lived one block away from his homestead in Manchester and my brother Marcel (deceased 5/22/12) and I hung around with him & his brother Al and played scrub baseball in the summertime and just hung around doing who knows what now...we always wondered how we would end up in life and now read that he accomplished much more than most people and I do wish we could have met again over the years but life dictates otherwise and we cherish memories...hopefully that big lug finds a way to look down on his family to protect them..our best wishes and condolences from myself, my sister Irene, and my mom who's still kicking at age 95...greetings also to Al, Claire and Elaine....Herve Riel of Merrimack, NH.*

“ *Charlene and family,*

Our deepest sympathy in the loss of your loved one. Maurice was my cousin. His mom and my mom were sisters. I have fond memories of him and his twin brother, his sisters Claire and Elaine, growing up in the house they lived in. I think of them whenever I go by that house, for I still live in that same neighborhood. Our thoughts and prayers are with you in these hard times.

“ *Charlene and family,*

Please accept our condolences.on the passing of Maurice.

His mom Laurette was my mom's sister Germaine. Maurice left the Manchester area years ago but always kept it in his heart. Elaine has always kept us up-to-date on his activities, interests and health. We know that he will be missed since his heart was large enough to include so many people.

“ Moe would always zip up to my desk in his scooter everytime he was at the hospital. I know that he was not feeling well most of the time but he would laugh and joke and make me smile. I will miss him dearly! Moe you are not sick anymore and are in the presence of God! Love ya Moe! I will see you again some day!

“ Moe was my EMT instructor a long, long time ago. He and I remained friends over these past 30 years. He always knew how to get the painful spots to feel better either by giving me a message, giving me a bear hug or just lending me an ear. And sometimes, it was by giving me all three! I was proud to call him my extra dad. I will truly miss you Moe but I'm happy you are no longer in pain. Say hi to God for me and I will see you there one day. Love Sandy

I am sad to hear of Moe's passing. I worked with Moe at the Manchester Police Department many years ago. We lost touch over the years but I remember him as a good person to work with.
