“ Dear Cathy and Debbie,  
I am so sorry for your loss. Your Grandma was a wonderful woman and a great servant of our Lord. She took on the responsibility of cleaning the church when we all attended Berlamont Church. She once made the remark that when she got to heaven her job would probably be "cleaning and mopping the floors!" I lost track of her when they moved to their apartment in Kalamazoo; but I am just as sure that wherever they attended church, they were both actively involved. Just rest in the knowledge that you girls were much loved, and covered with their prayers. She is well and happy in her heavenly home.

Dear Sandy,

Thank you so much for this message! I loved my family so much and appreciated Grandma and Grandpa Horton tremendously! I have fond memories of visiting them as a child and attending Berlamont church! Grandma did outlive dad, always a standing family joke! Again, thank you for this lovely message!

Blessings from Cathy (Horton)
