“ Dear Myers Family and Friends,  
I wasn't privileged with the remarkable acquaintance of Mrs. Myers as you were, but it saddens me to read of your loss. Please accept my family's sincerest condolences. It brings great comfort to many to know that the Almighty God and Creator promises us in his word the Bible, that soon death, mourning, outcry, and pain will be no more. May you have peace.

“ Maxine was a very dear friend to my mom, Kathryn Brininger, and our entire family. She and Mom took many "road trips" and I had no idea where they might end up, but I always knew Mom was in good hands. I am so sorry they were not able to connect face-to-face these last few years but Maxine has always remained special in all of our hearts. We had a great visit when I went to see Maxine around Christmas time and as always her mind and memory were sharp. We feel we have lost someone very special but we are also very grateful she was a part of all of our loves. God Bless You and Keep You, Maxine.

*With much love -Kathryn Brininger, Merle and Trevah Dalrymple and family*
