“ Mike supported Diane in many ways relating to me, from hosting my high school graduation party, to my first, and a day long motorcycle ride when I needed a break from crazy child rearing. A true Lions fan, he was the first person I knew to attend Thanksgiving dinner based upon a win or loss (foreshadowing for my future life). His last outing was with Diane to watch my boys play baseball. That time, care, and effort by them will be forever with me.

“ Jeff and Mike met in 9th grade on the bus that took them both to Bangor HS. Jeff and Mike were able to see each other at their 50th high school reunion in 2021 and again last year, eating at Mike's favorite Cafe. They were the best of High School Friends with Rick Kempsey and Gene Goodson (RIP).

Diane, please call Jeff as we only have Mike's cell phone. Jeff 951-258-5891

We are both so sad to hear of his loss and figure he's on Heaven's bleachers watching a good race....He fought the good fight, may he rest in peace. We hope he and Gene stay outta trouble up there.

“ Mike was great neighbor and friend. His sense of humor was great. He once snuck over and put a blinking light in my string of Christmas lights. We had a good laugh on that one. Love you Mike

“ My brother was a good man. We didn't see each other much later in life but he was always with me in my heart. I feel his loss and Diane and Michael and Eric's loss of the good man and father he was.
