“ *I will always remember Michael as the darling little boy with a smile that filled his face. Even as a toddler he was full of vim and vigor, going a mile a minute in and out of the home. I am so sorry he had to leave us at such a young age. My heart goes out to his sister, Desi, his children, and to all of those who knew and loved him.##imported-begin##Judith Norwood##imported-end##*

“ *Mike was definitely a memorable person. He would do and say things that would have us rolling on the floor laughing. It is extremely saddening to think that we won't get his quirky funny phone calls anymore. Mike will be missed. Extremely missed. “ Mike was my best and closest friend growing most of my life. We both lost our moms at a very young age and that brought us even closer. I will miss him very much and my prayers go out to him and his family.##imported-begin##Jordan Baker##imported-end##
