“ I am so sorry to hear of your loss. I didn't find until after the funeral had already taken place, or I would have been there. I think of all of you often and recall all of the great times we had playing card games, having get togethers, and fishing at Muskrat Lake. Every time I hear the Blues Brothers, I think of Mike. He would laugh just as hard the 100th time he heard the tape as though it was the first time he heard it.##imported-begin##Emmeline Towne (Robinson)##imported-end##

“ *Braswell family. My heart goes out to all of you. I understand this time of sorrow, but remember that he is not suffering anymore. In fact, dad (LJ), mom (Jean) and he are reconnecting and we can hear him saying "brother J" and you can only imagine what would come out next when it involved dad. Jason and I are here for any of you if you need us. Love you guys.*
