“ My gosh Mike ... I can't believe I'll never get to talk to you again. :(I love you. Thanks for being such a great friend for so many years. 38 to be exact. I bet you're in heaven catching up with your mom and talking her ear off. I'm sure you're doing the same with your dad and Danny too. I'm so glad you're pain free now. So sorry I had such a hard time understanding you on the phone. Talking slower did help. You'll always be in mine and the boys' hearts. Thank you for being a part of my life. I'll miss you always. Love, Julee
