“ Jack & Sharon, my deepest sympathy to your whole family. I'm so sorry I could not visit Mid more often at Rose Arbor. I am having some health problems myself and not able to spend much time there.

Ernie and Mid were a special couple and now will spend eternity together. You were such a good son and daughter-in-law. I know you will miss them dearly.##imported-begin##Doris Courtney (Rose Arbor-Hospice Volunteer)##imported-end##
