“ *Myra was a big part of my childhood. Seemed like I was over to Krista's house from the time we were five, playing with My Little Ponies, through our teen years when we were collecting Metal Edge. Myra always made me feel welcome and I just loved going over to her house. She was gentle and kind, like my own mom. Myra did a lot with us for Brownies and Girl Scouts too. Always willing to help out and get involved. Looking back, I see now Myra showed her love for her daughter by allowing her little friend to tagalong. She and Larry would take Krista and me to Showbiz Pizza Place, which was a big deal back then. It was always a highlight because I loved being with the Ross family. I have a hundred more memories and am so grateful to her. I hope she knew she was making an impact and how much she was loved.*

Glad to have them all, as I am sure we all are.*

*Myra, I will miss you! I met Myra as we shared the same bus ride. Very soft spoken and we quickly became fast friends. We shared high school years and enjoyed socializing together. I remember Myra saying that she lived on Vine street in Kalamazoo and I just think of her when I drive around that area. I remember when she met and married Larry and when their family grew to include Krista and William. Myra you will always be in my heart. Love to you and your family. My deepest sympathies. *I am so sorry for your loss. Myra and I went to school together and were friends. I had the luck to have contact with her a few times at the Elks, and they were fun times. She was always a very giving friendly person and she will be missed. Had chances to talk to her after her illness and she talked about how she suffered but was not in a complaining manner. Rest in peace my friend. Prayers for comfort for you Larry, Krista and Will.*
