“ *Heartfelt condolences to you all. The first time we met, I had just lost my mother and I didn't really allow myself to be accepted by Nancy's kindness. But as being the neighbor she was, we soon became closer. She was always so kind, and you could tell she enjoyed life. She will be missed by me and many others. Our thoughts and prayers are with you Bob and family.*

“ My heart was broken when I read about Nancy's passing. She was the most wonderful woman I have ever known. She was full of love and grace. She has so many wonderful saying that we lovingly called Nancyisms. I always told her there was a special place in heaven for a woman that raised 4 daughters. She believed in me before I believed in my self. She will always hold a very special place in my heart and now there is a huge hole.I love you Nancy and can't wait to see you on the other side. Love, Lynne Farmer

“ *Dad, Jean, Deb, Janet and Becky, first let me say how sorry I am in the loss of my Michigan Mom. My memories are so vast and deep and intertwined with each one of you. You became my family when we met in Virginia. We stayed in touch and visited, you took me in as another daughter/ sister. Mom you were always so kind, so generous with your love, your time, your laughter, your home and your heart. We may not have seen each other a lot over the years, but you have and will always reside in my thoughts and heart. Rest in peace my dear sweet Michigan Mom. Lynne*

“ *When I think of Mrs. House, I think of music. Her beautiful was a constant in my childhood. Hearing her and Mrs. Bournay sing was my favorite part of going to church, and the inspiration for me to join the choir as well. Mrs. Hoose was a lovely lady with a lovely voice, and her absence will be greatly felt.*
