“ *We were family and I am very sorry I never got to know Nan. Thoughts and prayers to all the family. I was her Aunt Gracie's daughter Helen. I am glad her suffering is done and it has been a long time so it will take some time to heal but I know when my mom died I was glad she did not have to suffer anymore, but I still miss and think of her everyday. I really feel bad that family's do not stay in touch because without family we are pretty alone.*
