“ Art: We were sorry to hear about your brother, Nicky. Ray and I didn't know him, but wanted to express our sympathy to you and your family. Time goes by so quickly - it doesn't seem possible that any of us would be losing brothers or sisters. Thinking of you during this difficult time.

“ I am saddened by the passing of Nicky. We hung out together in high school. I will never forget following him one night down the Hartford road and seeing him gi off the road and turn over. He escaped with no injuries if I remember correctly. We had some great times. Bob Grimes,Jr.
