“ Mary, I am at a loss for the right words to say to you. Just know I am here if ya ever wanna talk to me abt anything. Just talking to someone about memories helps a lot, it really does. I know ur mind is probably like on a roller coaster. Every now and then I have to take anxiety pills to stay sane. You might need to get some. I hope you are ok. I'm sure the girls are helping you as you help them. You have a very strong bond with them. I'm glad y'all have each other and I love all of y'all. God Bless You <3
