“ I have very fond memories of Norene from my childhood. As farm children, we were all raised under the watchful eyes of all the neighboring Moms, and Norene was one of our favorites. I don't remember how she came about the nickname of "Moozie", all I know is it spread to the other Moms over time, and I always thought of her with a smile, everytime my brother called our own Mom his shortened version: "Mooz". My heart aches with you in your loss, and my prayers are with you in your grief.
