“ Dear Bales family - How very blessed your lives have been, to have had this woman of God for your Mother, Grandmother, and Great-Grandmother. Her love of Jesus was her Guiding Light that led her life. She lived the life of the Proverbs 31 woman, completely loving her husband and their children and family. She welcomed friends into her heart and home, reaching out time and again to all. She set the perfect example of a Godly woman. She not only believed God and His Word ...she lived it! She was one of the best friends I ever had, and I will miss her. Family, remember her prayers for you - God be with you during this time. It will be a difficult Christmas for you, but a glorious one for her.

“ *My mentor and friend... you showed me how to love Jesus, how to love people and how to be the most positive person in the face of anything. I have so many memories that involved working closely with you and I hope a little bit of your sweetness rubbed off on me. What a blessing it was to serve with you and to call you my friend. I will forever think of you when I see purple :)*

“ Such a sweet lady. The one thing I will always remember about her is her smile. It seems she was always smiling. She was loved by everyone and the good in the World is diminished greatly by her passing. God bless you.

“ Sending my condolences and prayers of peace and comfort to the family. Thank you for sharing Norma with me, even if it was just for a short while. She cared deeply for all of you (her family) and her faith was evident. We talked about her life alot and she always said she lived a full life. Praying for you all in this difficult time. She always brought joy to me on the days I cared for her and I'm so thankful for that. ~ Rebecca
