“ Please accept my deepest sympathy for I too know the pain of losing someone you love. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will 'swallow up death forever, and wipe the tears from all faces' by means of his only-begotten son Jesus. (Isaiah 25:8) What a wonderful day that will be!

“ Grandma Normal Lohrberg was fun loving energetic person that loved family, frinds and life. She was married to the love of her lifemy grandfather Lyle Lohrberg. In her ealry years she and my Grandfather enjoyed flying in thier airplane, bowling and riding on thier motorcycle. They also loved to go for long rides in the car to go dancing and have a couple of adult beverages. She often traveled with my grandfather in setting up the stage when his band would preform at local bars and taverns. As a young adult she also loved to perform on stage in several plays. Both her and my grandfather also enjoyed spending time of Baseline Lake, watchikng the sunset.

Because of health reasons she had to be placed in Tender Care Nursing home. Where she received excellent care. She loved the staff, most of all Renee.

I would like to personally like to thanks the staff of Tender Care for love, support and care of my grandmother

Sincerely

Robert Lohrberg II, Grandson
