“ Norman was my very first friend in kindergarten, we went through our school years together and he was always a kind hearted person who always had a smile that would make you smile back at him. He was instrumental in arranging and emceeding the Bangor Class of 1983 class reunions starting with the 5 year reunion in 1988. He loved serving the community and was very civic minded. He served on the board for Geneva Township for many years. My Prayers go out to his family and may they take comfort in knowing that he is no longer in pain and amongst the Angels, waiting to welcome us when we meet him again. I will always remember my first friend fondly.##imported-begin##Lisa (Babor) Williamson##imported-end##

“ My heart is broken. Norman was more than a cousin to me, he was a dear friend. Every time we spent time together, we had such a great time laughing & goofing around. Norman was pivotal in guiding me through our family history and sharing old family photos. I'm going to miss him terribly. Rest in sweet peace
