“ *We are without a doubt the most fortunate family to ever have lived~we had Olga Smith as a grandmother. I do not ever..even one time remember Grandma getting angry. She was the most mild mannered woman to ever have graced this earth. She and her awesome sisters were/are top notch in my book. Great Grandpa and Great Grandma sure did a wonderful job of raising some fantastic women, if I can be a quarter as loving, caring, kindhearted and fun loving as these gals are, I will be a happy person!!! Love you with all my heart forever and ever Grandma!!*
