“ There are so many memories I have, of my Aunt. Our families did so many things together. We all lived close together. Grandparents, Uncle Harold And Aunt Oneta, my Dad and mom. I was the youngest and the pest. She would make pancakes, but what stayed with me even now, was she always had to have fried eggs with the pancakes. In fact in her honor, I'm having them tonight. God bless you.

“ I got my first job at Harding's and Mrs Nelson was the best friend anyone could have. That was 53 years ago and I still have fond memories of her. I'm thinking of the family this week with sorrow.
