We the Lowery Family, express our love to the entire bereaving family, with the reminder that Jesus, the Man of Sorrows, understand all that transpires in human experience and that, He said in Matthew 11:28, “Come unto me, all ye that labour and are heavy laden, and I will give you rest.”

“ I got to know Pam when Emily and my girls played softball together. She was always their #1 fan. We shared many good times together over many years. I loved her passion for the Lord. We talked about God on occasion. She loved her family so much. I was always amazed at how generous she was with loving attitude. I will treasure our friendship in my heart forever. May God keep you kids wrapped in His loving arms, protecting you, giving you strength, comfort and peace.

Love you all.

“ just wanted to pass on my condolences to the family. I like to share one of my favorite memories of Pam. Pam was like a sisters to me and I love her very much. I've known pam since I was young. I remember going to Michigan with Cindy and Paul and Pam would take me swimming and then set me up on the pier to check for leaches from the lake and take them off. She also would buy me candy from her mom and dads candy store they had in there house. Pam had a big heart and was a wonderful person, friend, mother and gra and great grandma.

Sending prayers and hugs. ❤️❤️❤️❤️🙏🙏🙏🙏 From Lisa Hansen Dereski (Cindy Hapke sister)

“ Oh Pam! My heart is truly broken for your family, your church, the people of Lee Township but especially the students and staff of Pullman Elementary. You have been a spark and warm fire in all these communities. To meet you - is to know you i- s to have loved you. I will never forget your kindness and encouragement to me in the years I worked alongside you and the rest of the committed staff at PE. I will also always remember how hard I laughed when you told me that you had an elementary teacher who put your desk (and you!) inside of a refrigerator box with a window cut out of it in an attempt to stop you from talking!! But you never stopped being a talker, did you? Your talk always loved on and included the people around you. I have utmost confidence that you are now yacking it up with Jesus in paradise! There are no words to express our loss of you on this earth but truly for you to be absent from the body is to be present with the Lord. Until we meet again. You are so loved, beautiful Pam.
